March 10, 1965 - October 9, 2019

Bryan Anthony Driffin was born on March 10, 1965 to John Griffin and Barbara Jean Hines Griffin at Beth Israel Medical Center in Newark New Jersey.

Growing up Bryan lived in Queens New York where he received most of his formal education graduating from Newfield High School in Selden New York.

Bryan enjoyed his youth, his life brought him into contact with Eola (Diamond) Greene, and it wasn't long before they found themselves in love and building a family. Diamond and Bryan were married with a beautiful family in tow. Bryan Jr. Keanna, and Brianna. Bryan's family grew over the years through life's ever changing landscape Bryan fathered Shyheem, John and Christopher. Bryan above all else was a man all about his family, his children was his world. Spending time with them was very important to him. This was also true about his three dogs Blue, King and Priska. Bryan was always involved in what every way he could. He was proud of them all but especially proud of his three grandchildren Mahki, Noelle and E'Nylah. Bryan was that guy that would share photos of his children and grandchildren every chance he got. Family was paramount to him.

Bryan, according to his children, their dad loved to be "blinged out" from his jewelry to the way he kept his truck, he worked hard and was not afraid to show it. Over the years Bryan was a construction worker, a truck driver and a business owner. He owned and operated his own truck, he started a car wash business with his son Bryan Jr. and most recently a lawn care business called "Busy B Lawn Service". Bryan has kept busy doing a variety of things, according to his kids he can repair and fix anything earning him the name "The Cable Man".

Bryan was the youngest of his siblings, Roxanne, Myrna, Barbara, John and Richard. Bryan leaves behind a host of nieces and nephews, cousins and friends.

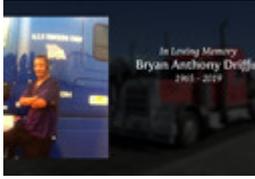

The memories his children shared were of their father watching wrestling and taking them to matches whenever he got a chance. He was the kind of father that they could call on whenever they had a problem, he always picked up with the willingness to help wherever he could. Bryan loved listening to music and loved reminiscing about old times.

Bryan will be missed by all who knew him, his spirit, his actions, his friendship and his love will be deeply missed. He leaves behind a legacy of family that will be imprinted on his children and their children. We say goodbye today with heavy hearts, but with the sense that we will meet again.
