“ To Gary, John and your entire family, I am sending lots of love and prayers your way during this difficult time. Wilma had a heart of pure gold. She was a true diva and I mean that in a good way. Perusing her closet and jewelry box was so much fun. And of course her cooking was second to none. I cannot begin to express what she meant to me and Jasmine. Wilma was a colleague, big sister, auntie, confidante and friend all rolled up in one. She was always there for me no matter what! My life will be forever enriched because of her love and kindness.
