“ My heart is with my Brother in-law and nephew Henry at this heartfelt time. I remember when I first met Aaron in D.C. at his mom house we was picking him up to take him back to N.C. I remember being amazed at how smart he was and when we got him to N.C. boy was I in for a run for my money baby sitting him and my nephews. My sis Lanee loved him as her own n I know she is cradling him and welcoming him into the gates of heaven with her. I love you Aaron may god find peace and solitude for your parents, siblings, girlfriend and most of all your newborn son. Kiss my big sis for me and look over your lil bro Tookie guide him in the right direction to make it big in this world. S.I.P. I LOVE YOU MY BIG BRO HENRY SR.

“ Aaron there's not a day that has went by when I wish I could just wake up and none of this would be true...you will truly be remembered by alot of ppl. The love you showed people will remain in there hearts especially mine! Yes it hurts that your gone but happiness and joy to know that your no longer suffering or in pain. Do I want to question God why..?? Yes, but I know he is the only one who knows why and the reason! I love u Aaron..your passing has really made a difference in my life. I just can't believe your gone..but I understand God needed you more than we did...Love u always lil cuz

“ I wake up in the morning and I look up to the sky I wonder why he took you before I said good-bye. I look up to the stars at night and know you're looking down, I'd like to think you're proud of me. But I'm stumbling around, I crawl in bed and close my eyes and realize that you're gone. Then comes the fears and then tears and life just seem so wrong. I glance up at the heavens and I know you're flying by. My angels watching over me I'm happy as I cry.

Oh Aaron auntie will miss you forever my baby until we meet again.

“ My eyes filled up with tears as I heard the news, It never occurred to me how much I could lose I find myself wishing that it wasn't real. Every time I think about it, pain is all I can feel. Tears fall from my eyes, I can barely see, But my heart tells me that he'll always be with me . I'm glad he feels no pain now-he lives in a perfect land. I can still feel the soft touch on my shoulder of his loving hand. I lie in bed and cry at night. And I don't feel any better in the morning light. And I will love and miss him forever until the day we are again together. Together in that perfect place above, Filled with caring, sharing and love. But until that day comes-I will wipe my tears away. And hopefully see him again someday. I love you man your big cousin Malcolm
