“ *May your family find comfort in knowing that our heavenly Father has promised to undo the pain and sorrow that death brings. it can be comforting knowing that all who are safe in the memory of God , who remembers every detail about them, has promised to bring them back. Continue to look forward to that promised resurrection of those in God's memory. May the God of all comfort provide the help needed to get through this time of distress.*

“ *Nelson our dear friend, and all of the Brown family, we are sadden to hear of the news of the passing of your dear Mother. Sorry that we are not able to be there with you, but please know that we love you and you are in our prayer. In this difficult time we pray that you be comforted by the words of Jesus, who tell's us, Let not your heart be troubled, if you believe in God, believe also in me. In my Father's house are many mansions, if it was not so I would have told you, I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you unto myself; that where I am, there ye may be also. May God strengthen the family in this season.*
