“ My funniest memory of my uncle was the time him and uncle Bruce came over to my house one Saturday and they started talking about my dad. They talked about me knowing how to drive as well as I did and I said I can't drive a stick shift 😊 they both said buddy didn't teach you how to drive a stick come on. Uncle Bruce had a little car that was a stick. Well we got in and I was so bad at it we got to the end of my road and uncle Dawson now Deedee I love you but you just let me out. I will always love you Unk you were just the greatest at making your love known. Thanks for being there when I needed you.
