“ Our thoughts and prayers are with the Chance and connected families. Alex and I were classmates at Fayetteville State University. Our family will also always be grateful to Alex for his consideration shown years ago to our family. My oldest son had broken down by the road on highway 87, on the way home back to Gray’s Creek. As it turns out the kind stranger that gave him a ride home in the wee hours of the morning, turned out to be Alexander Chance. Thank you, Bronco.
