“ It can be difficult to hear of someone’s passing from this life to the next. A void is left when a person dies, which no one can fill. The good news is that death does not have the final word! It is only the beginning of our true life, moving on to our eternal resting place.

“ She was a beautiful soul that has left a trail of beautiful memories. I have had the honor of meeting Ms. Hooper. I really appreciate the warm welcome she always showed me every time I would visit. I always loved her fiery spirit. Ms. Hooper was an honorable, compassionate, gentle soul that would light up any room she was in. Being in her presence was like a ray of sunshine. She was such an amazing person. I used to tell my best friend I want to be like your grandmother when I grow up. Thank you for inviting me into your home and treating me like family. You will be greatly missed. Love Shenelle.
