“ *So sorry to hear of Alpheus' passing. I went to Sunnyside Elementary School with her and her brother Harold before they moved from across the river. They went on to junior high in the northern part of the city before graduating from Pine Forest High School. Her aunt, uncle, and cousins lived two doors down from me on Deep Creek Road. She and I saw each other frequently at Fayetteville State University. She was one of the most pleasant individuals I have ever met. My thoughts are with the Allen family.*

“ *My deepest condolences and prayers of comfort for her family. Never would I have thought that she would have been gone three days after I saw her in the grocery store. Her smile was the same and she appeared to be doing alright. Lord knows we just don't know the minute nor the hour.*
