“ Alzy, I hope you understand my actions these last couple of days. We are all hurt and just trying to wrap our heads around this. I will not be attending your funeral. I can't. My heart will forever be broken and know I love you like my own. You were more than a cousin to me. I'm hurt and devastated. I'm angry. The circumstance around your death is uncomprehensible. Extremely senseless. I love you, Knucklehead. Watch over us. Til we meet again
