“ *I love you so much...i miss you, i really do...i know your watching me right now but i just never really got to express all my feelings when i went to see you...i go to south view high and im in 9th grade...im doing pretty good so far...i have all A's right now ! I'm planning to become a psychologist when im older so i can help people out when they need someone most...i need you and even though your not physically here, your always in my heart . i hope you having the best time in heaven right now...especially with dilo and our feline friends...i love you andy andy .
