“ We will never forget the kindness and warmth of Annette Bowers. Annette had an incredible impact on our world in her time here.. Every morning Annette greeted us all with a smile, showing kindness and consideration. Annette was an inspiration to us .

As lead dietitian for SEBHS for over 12 years Annette you live on- in the hearts of every life you have touched and nurtured while you were here. Always a team player and a professional, who took pride in any task designated for her or she volunteered for. Preparing breakfast, coffee, lunch for PSR or providing a sympathetic ear to each client, she served to say I'm listening. Providing day treatment children with hot meals, and plenty of hugs and love. Annette is forever cherished.. With love and remembrance, we share in your sorrow.

“ To my extending family as we are connected so many ways, we share your loss. Annette was my momma's aging backwards daughter. Beautiful inside and out. She extended herself to so many in multiple ways. Her passing leaves a void 💔 felt by all that knew her. I love and miss you Annette.

Hadn't seen you since school but we connected on Facebook a few years ago and we had some nice memories from our school days. You were a very sweet person in school and 60 years when we talked you were so nice. I hate that you had to leave us but we all got to go and I want to get in the Kingdom and Pray I can see my Family and Love ones again. I Pray You Rest In Peace in the Arms of God.
