“ I am deeply sorry for your loss of Mrs. Annette. The loss of a loved one can be very difficult to handle. There are precious memories and moments that are made, and Ms. Annette was privileged to live such a long life, that no doubt, there were many moments that can be remembered. Although there may be pain and heartbreak, a great source of comfort can be found in God's Word, the Bible. By fully relying on God, he can help us to deal with any trial that we may face. (Philippians 4:6) Your family is in my thoughts and prayers.
