“*Ms. Cutts or Momma Cutts was a good women. She loved her children and grand children. Momma Cutts was the official grand mother of brownie troop 1376 that I co-founded with her daughter Yolanda. She kept us in line and the brownies scouts in line if need be! Momma Cutts was present for celebrations from scouts, sports to school, she was there! Being a military spouse and left alone often, my children and I were invited to many Cutts and Pratt family events. We last saw her in spring at Whispering Pines and she flashed that bright smile after not seeing us for 3 1/2 years due to a PCS move. She wanted to know if I was going to church and keeping the the children close to God. And I said "Yes". She reminded me that there is nothing more important than God and family! And she went on to say"Keep it in that order!" Mrs. Annie Cutts, your work is done!*
