“ I met Lois when I was 16yrs.old. I had just starting dating her son Vincent. The very first thing Lois asked me was, "Are you hungry" and my reply was, "Yes ma'am". I didn't know it then but for many years she always made sure I ate good around her. And when my children were born (her grandchildren Amoni, and Alexcia) she loved feeding them as well. Lois was the type of person that always wanted to see other's happy and satisfied. I shall miss her kind words and her warm heart. Thank you for loving me and my girls. We Love You Forever and Always!!!!!!

Words cannot express the sorrow I feel for the loss of such a fantastic woman. Lois loved me like one of her own and always made sure Vince and I were being "safe"! God's divine plan has its perfect will, we are to accept it with the knowledge that we will see her again IF we live according to His Will. Rest in Peace momma..
