August 12, 1954 - September 17, 2020

There is a time for everything, and a season for every activity under the heavens.

Ecclesiastes, Chapter 3, verse 1

A Time to be Born

Anthony Michael Davis was born on August 12, 1954, in Washington DC, to Naomi Elizabeth Davis and the late Linwood Davis.

A Time to Live

Anthony was educated in the District of Columbia Public Schools, graduating from Cardoza High School. Anthony first worked for his father at Lin's Transmissions for many years where he perfected his craft of automotive repair. Later he went to work for Aramark Food Services and worked as head chef for several nursing homes in the Washington metropolitan area. Anthony had an excellent work ethic and would often volunteer to work extra hours. Anthony found Christ at an early age, and was baptized at First Baptist Church, in NW, DC. He later re-devoted his life and continued that faithful service to Christ, after he relocated to Fayetteville, NC. Anthony loved spreading the good word! Anthony was a lover of music and enjoyed many genres of music.

A Time to Reflect on Family

Anthony married Monique Moultrie in Washington, DC, on February 21, 2003. They began their marriage in Washington, DC, and had two children. Later, they relocated their growing family to Fayetteville, NC. Anthony is survived by Monique Moultrie, their children, Anthony, Jr. and Francis Naomi; his stepchildren, Nadia Moultrie, Stephen Moultrie, Monique Moultrie, and Ezekiel Moultrie; his mother, Naomi Davis and sisters, Sharyn Davis-Gordon, Carolyn Davis-McGraw, Barbara Young, Rita Davis, and Stacey Johnson; an aunt, and a host of nieces, nephews, cousins, and friends. Anthony truly loved all his children, which was evident in his many praises of them!

“ Today is my dad's birthday. I miss him so much and he never leaves my mind. He would have been 67 today. I love and miss you dad. Until we meet again.

“ I will forever treasure my dear brother's nature walks with me at the Soldier's Home in DC. Tony, your beautiful bird drawings, your love of science and fascination with fast cars are only part of what made me love and admire you. May you rest in peace until we meet up again. Love always, Sister Stacey.

“ I have some fond memories of my brother when he came to stay with me in 2014! I got to know the caring, compassionate man that he was. We reminisced about our family and fond childhood memories. He spoke about his children with such fondness and was very proud of them. It was evident from our conversations that he truly loved his family. I will always remember and cherish this time shared with my brother. Then in Christmas 2016, I was so grateful that he was able to come to join the family for my Christmas party. Our mom was so happy to see him and it such a festive celebration. These are memories I hold dear and will never forget. I miss my brother, but I am sure that I will see him again! “ I remember when all of us use to live together in DC. you and Cynthia were little at the time so I don't even know if you remember our time together but Tony, David, Missy and myself we use to have the best time playing kick ball in the alley and freeze tag, etc... I will miss my cousin but I will continue to treasure all of the great memories that we had. He was a sweet and calm person and to know him was to love him. May he rest in everlasting Peace :-)
