“ Still can't keep myself from crying at the thought of u not here. When my phone rings especially on Sunday's my heart still races for a split second cuz I think it's you calling. Then it's back to reality. Ja's doing good. He has his moments but I'm so glad u raised a god fearing man. He's just like you! Still trying my best to keep him save and protected. Just know it's not the same down here
