“ To My family I know this is hard but we will get through it. i will miss my uncle he was the only one that had no time restriction on calling me he felt like if he was up I should be up. He had his times where he aggravated me so bad but I wouldn't trade that moment for nothing. I am grateful for every moment we spent together, every memory I have will be greatly cherished. I miss u Uncle Archie, sleep in peace! Dance on up to heaven

“ My uncle was the life of the party at Joey's wedding. He danced all night with those ladies and we have the video to prove it. I will miss him so very much.
