“ As a Pastor, I've crossed paths with many people..My Brother, Sticks ..was one of a kind. He was my Brother from the very first moment we met. We would go to K&W and talk about everything. From UFOS to Neplihim and all matter of life's mysteries.. His Life was music 🎵 and everything he touched was a song.... Love you Big Brother

“ My uncle was the coolest in the world. I always called him UNC, he was very supportive of me and my brother after our mother (his sister Gladiola) passed. I will never forget when I was younger I wrote to him to tell him I was going to be in a dance recital. He surprised me by driving all the way from NC to NJ just to see my little part in that recital. He made me feel like the most important little girl in the world that night. But that was just who he was. He had a way of making you know he cared and would do whatever he could to help or be there for you. I will miss that kind of support in my life, but I am thankful to God that He allowed UNC to be in my life into my adulthood. I will honor you by keeping the same spirit you showed me with my kids and grandchildren. Rest In Peace, you are forever in my heart.

“ *To The Family of the Late Arnold Newell,*

My heart is broken. Arnold was such a nice guy. Those we love can never be more than a thought away for as long as there's a memory they live in our hearts to stay.

I thank God that our paths crossed at Booker T. Washington High School Class of 1967. We shared so many happy memories, he will never be forgotten!
