“ I am very shocked and sad by this news. Ashley was a student at RSHS for a brief time but she was always talking with me and coming to me if she need to talk. My prayers are with the family.

“ I remember Ashley walking the halls of Westover Middle School as if it were yesterday. Her smile was not only bright, but contagious. I will miss her immensely, but knowing she is in a better place brings solace. My condolences and prayers to her loved ones.
