Tribute Wall

“ Peg, I was so sorry to hear about Mac. With you living away from here, I never got the opportunity to know him well, but always knew how happy you were with him and that was enough for me to know he was a great man. I texted LuAnn right away when mom told me, but never heard back from her, so wasn't sure she had received my message. I came across the obit just today in the Platteville paper (catching up) and wanted to let you know that you are in our thoughts and prayers-ALWAYS.
