“ Barbara was a co-worker at the Kips Bay Branch of New York Public Library. She was a terrific staff member that cared deeply about her work and assisting the public. Barbara and I spent many hours discussing religion, books and life-in-general. I know the books, staff and public miss her. Thanks Barbara for being there for us.

“ Barbie is our sister we have many memories of her. When Paul and Barbie moved to NC , My husband Welmon, our daughter Simaya, and I would stop by from time to time to visit with her and Paul,(sometimes it was an overnight stay) We would talk, laugh, and play Phase 10 and she would always give Paul a hard time because he would study the game and move like a turtle.

She loved us and you know, she loved and saw the good in others. She was a praying woman and we would pray for our families and others.

Barbie was often times soft spoken until she would get onto her sister Edna, and even then we would all burst out with laughter because it was funny to see her angry...but she never was because she would begin to laugh too...

God blessed us with a beautiful woman, sister, friend, and mother she will always be in our hearts forever more. Thank you God for bringing our families together. We will miss her and now I know her birthday (a little inside joke between us)

I could go on and on with a plethora of memories we have shared... Love always to our family. ❤️ The Speed Family. Rockledge, Florida

“ *Psalms23:6
Surely goodness and mercy shall follow me all the days of my life:
and I will dwell in the house of the Lord forever!*

*Mrs Long never declared herself to be an angel, but she would proclaim to be a Child of God and for that I am grateful! For she shared her love and kindness everywhere she went with such a beautiful smile on her face. Therefore even though she didn't carry the title angel, many know her to have been one of the BEST!!! My family shall miss her dearly... Sabrina Baker McDonald

“ I would first like to express my deepest sympathy to your entire family.

Our family, especially my father, was blessed to have Barbara assist us with helping him regain his strength after a series of serious health issues. Barbara had such a kind voice and you could see in Dad's face how much he enjoyed her company, he related to her so well.

One of my special memories of Barbara was she would come over on Saturday morning and helped my father into his wheelchair and take him out on the front porch and they would visit while watching me cut grass. I would ride by them on the lawnmower and they would wave back at me. My father loved being outside and I could see how much Barbara enjoyed sharing that time with Dad.

I know that our entire family was blessed to have Barbara in our life and she helped me so much with getting Dad back on his feet. Barbara truly was an earth angel to our family and I will always treasure my memories of her.

May God bring comfort to all of you during this difficult time but take comfort in knowing that she is always with you.

“ My dear Barbara, I know that you are at rest, and at peace.
I know you are now with Christ because to be absent from the body is to be present with the Lord. You were a gem, truly a virtuous woman.

I will always consider you as a sister. You will not be forgotten.

Love you always.

“ *Can't believe I won't be able to hear your wonderful voice, your positive words of wisdom each and every time we talked. I know you're doing well now, you said you're at Peace with what GOD chooses. And that is a good way to go home. Mrs Long was a wonderful spirit and she will be missed very much. Sending Prayers for Strength to all of her Family and Friends.*

“ *I would like to express my sincere condolences for the loss of your precious Sister, Barbara. She touched the lives of many people in a positive way. When the days seem to be most unbearable, I hope and pray you will find comfort and inner peace as I have from Isaiah 41:10; Psalm 34:18 and Psalm 62:6-8.*

“*I'm going to miss you my dear sister. You were my traveling buddy and my spiritual advisor. I used to talk with you every week, and I already miss you so very much. You and I had planned to travel all 50 states before we left this world. You and I came very close with over 30 states completed. I will always remember and love you and think about you as Shirley and I, and sometimes Dorothy, Lewis, Otis and Sam continue to travel the good USA.*

Luv Ya,

Your Baby Sister Edna
