“ So very sorry to hear of Barbara's passing. Our condolences to her family. Barbara was a part of our family for more than 30 years. Always so sweet to us. If troubles got her down, she sure didn't show it. Always kind and very caring. She seemed to have a running joke with each of the children. From my family to hers: may God bless you all.

“ Barbara was a part of our family for years, decades really, and we've been missing her smiling face since her surgery last year, when she stopped working. We are so sad to hear the news that she's gone now. Barbara was such a wonderful person - kind, caring, always cheerful and smiling. If troubles ever got her down, she sure didn't show it. I think she had an on-going joke with each of our children, as they grew up. I'll always remember her kind nature. Our condolences to her family.

“ So many fond memories of times we spent together. Sometimes we would just ride to town and get a Hot Dog and enjoy it as if we had gone to a sit down dinner. How we could just sit for hours talking and enjoying each others company. We could talk about anything and you would always end our conversation with I love you. You were a kind hearted person. I'm really going to miss you. Rest in Peace.
