“ Momma, it has been 1 year, 7 months, and 1 day since God called you home. Words cannot express how much I miss you, my life will never be the same. Everyday I try to be strong and be the matriarch you trained me to be, but that role is very hard to fill. I am so very thankful that I have no regrets, I am proud to be your daughter. I miss you immensely, but I am grateful that God knew best and you have a new body in your Heavenly Home. I live everyday knowing that one day I will see you again!!
