“ *Mrs. Barbara,*

We never had the privilege of meeting you, but we have felt you.

We feel you in the warmth of the people you raised and shaped. In the way they love, show up, and pour into others. The family you left behind have changed our lives in ways we will carry forever, and that is your doing.

A legacy like yours does not end. It keeps moving, through every life you have touched.

Thank you. Rest beautifully.
