“ To the family of Belva Wilker I send my condolences and prayers to you all. To lose someone as important, special, and precious as she is a hard pill to swallow. She was a big disciple for the Holy Trinity. I had some great times and conversations with her. Those memories I will forever cherish. Remember she will always live on in your heart because of the memories you built of her lifetime. She is in a better place. God has embraced and welcomed her home with “Welcome Home My Child, job well done “
