“ On behalf of the Central Smooth Groovers Dance Group of Smithfield, we send our deepest condolences on the recent passing of B.T. To say that he was larger than life would be an understatement. He will always be remembered as one smooth hand dancer. May your hearts be filled with wonderful memories of joyful times together as you celebrate a life well lived. We will continue to keep you in our thoughts and prayers.

“ I have known BT for many years, even before the Swing Dance Heritage days! The memory that I will hold dearest in my heart of BT are the words that he OFTEN said to me, "Darling, it's all about the 3 C's: caring, concern and consideration!

*He will be missed by many...*
