“ To Ms. Bell, My Nephew Tyrone Jr, Nieces Nijada and Jasmaine, Cousin Nene, Rochelle, his siblings, and all connected families.

There are no words to express how terrible your loss is. In these moments of your unexpected loss, I know my words are no help in expressing the sorrow you all feel at this present time. Please know that however you're feeling right now - numb, sad, angry, tired; it's normal. There is no right way to grieve or feel during your time of sorrow. To my nieces and nephew, I love you and I'm sorry that you are going through this, hold onto the memories you shared. For they will indeed provide some comfort in your journey through this loss. It is my prayer that GOD gives you all the family of Benny the strength and healing needed in the days to come.

*May his infinite blessings comfort you all during this time,
Melinda W*
