“ My best friend Bernard E Coakley. There is so much to say but I will say this, you have always been there for me and we shared so many good times together. Since your passing I sometimes feel lost without your council. And those are the hardest days not being able to talk to you. But you was the best friend any one could have ever had. I feel blessed to have had a friend like you. You will be missed. I will carry you always in my heart. So rest easy Bee see you when I get there. HB 4life.
