“ *The Bible states that the resurrection of Christ is a guarantee that others will be released from death. At Acts 15:21, 22 we read: "For since death came through a man, resurrection of the dead comes through a man. For just as in Adam all are dying, so also in the Christ all will be made alive." The hope of the resurrection provides hope of seeing our loved ones again. As you meditate on that wonderful truth may you be comforted.*
