“ It didn't really hit me until I saw your name and picture on this page. I'm so glad and privileged to have had so many memories with you! I will cherish every one of them as well as the sound of your voice saying my name. Your laugh was Infectious and your personality shined brighter than the moon itself. I miss you and will always love you Bert! God is good even in the midst of sorrow! I will continue to pray for my family.
