“ *To Barry and family,
Words can not express how much your mother will be missed. A pioneer in education, she was more than a teacher but a mentor as well. Many qualities were displayed upon her smile and her memories will linger forever. May God grant you peace and comfort during this time and the days to come. For no one can take the place of a mother.
Forever great, the Class of '78,

“ I would like to say Mrs. Landis was not one but my favorite teacher in my whole school years of learning. She spoiled me so much and gave me a nick name of Tiny Tot. When I last saw her she said there goes my little Tiny Tot, she always remembered me and she also taught my oldest daughter .

She was a dear sweet lady to all of her children that she taught over the years .

We were her 2nd grade class in 1966 at Peterson Elementary School and Graduating class of 1976 at Red Springs High School.

God bless the family for allowing me to post this information.
