“ *Words cannot express how much I will miss you. You've always been near but at 16 years old, you welcomed me into your home and your heart. I remember Trami and I staying up all night long laughing and you saying "Girls me and Wilbert have to get up in the morning. Go to sleep! And we would laugh some more. You never got upset. You were a kind, spirited person who loved her family and loved me as one of your girls. When I went to college, your home was my home on the weekends. You don't know how much I appreciated you. While I wish you were still with us, I know that you were tired and God needed you. Rest easy! I love you. Forever one of your girls! Nae-Nae.*
