“ I do not exactly what to say except that I am sorry for your loss. I can not understand exactly how you feel but I do know that our loving Creator does and will keep giving the family what is needed to cope with this time of sadness. May you find comfort and hope in knowing that all those asleep in the grave are safe in God's memory, who will remember every detail about them and restore them to life. The resurrection is a comforting hope given by our heavenly Father.
