“ Ms. Miller was my English professor at FSU. She was an amazing teacher and the force behind my success today. I have yet to encounter an English teacher with the power to plant seeds of greatness in African American students through literature such as *Imitation of Life* or *Eyes on the Prize*. She emphasized, "know who you are." It hurts my heart to hear of your passing. You are loved and will be missed. Thank you! Rest well.

“ My deepest sympathy to the family of Beverly Smith. She was a sweet, brilliant person. We collaborated on a project on Greensboro street. She was a true educator. May the God of comfort give you peace during this difficult time. Look forward to the resurrection as promised by Jesus Christ at John 11:25.

“ My sincerest Condolences to the entire family of Beverly Miller.

I remember Beverly when she was in college with Rochelle (George) Wooding. I am Rochelle's 1st cousin and her then boyfriend, soon to be husband, Gregory Wooding's best friend David Hall. We would drive to Erie, Pennsylvania to visit. I remember seeing the development of a great group of ladies friendship developing. I have witnessed this long-term friendship last and grow stronger over 50 years. Rochelle would tell me of the many adventure's that she, Beverly and the whole group of Mercy Hurst friends enjoyed over the years. Beverly leaves a void in the world and within each person she came in contact with.

I pray that her family, friends and associates are blessed by God and comforted throughout your grieving process.

May God Have Mercy and Bless Everyone today and forever...!

“ Beverly Miller was a dedicated educator and an excellent student. Although we knew her only for a short period at Morgan, we came to appreciate her devotion to learning and to teaching. She quickly became an invaluable member of the Morgan Family.

Rest in peace, my colleague, my friend and my sister!

“ I have known Beverly since we were both students at UNC Chapel Hill and later as CLA colleagues. We all will miss her wonderful chatter, complete with gestures, that was so much a part of who she was. In addition, she was a warm and generous human being and I will miss her. My wish is that she is now at rest and I offer my sincere condolences to her family and many friends. Dr. Warren J. Carson, USC Upstate, Spartanburg, SC.

“ The world will surely miss Beverly . She has been a wonderful Mother and friend to so many. My sister Rochell and Beverly met in college and that is where my love for her started. My sister would always keep me up on the latest news and trips that they had together. The lost of a person you care for is heart breaking but we all will see her on the other side .
Rest now Bev for you are free!✚
