in church. I think I was five and I didn't know how to end the prayer
after I said bless everybody... he said "thats fine you can say
amen"... he touched so many lives and I know he is in a much
better place. My condolences to the family and church family*

“ *To The Ford Family,
It is not easy to say goodbye, especially to someone as beloved and gentle as Bleary was. It as a real pleasure to meet Bleary February 2012 at Barber-Scotia College. An institution that he loved and supported with devotion.*

You are being thanked for allowing Barber-Scotia to feel and reap some of Bleary's time. He gave unconditionally to you and to all of the organizations in which he was involved.

You can take comfort in knowing that you have friends and family that have surrounded you with our thoughts and prayers, now and forever.

"But the wisdom that is from above is first pure, then peaceable, gentle, and easy to be intreated, full of mercy and good fruits, without partiality, and without hypocrisy. James 3:17.

May you find peace in knowing that this verse in the Book of James describes the person whom we all knew as the Rev. Bleary P. Ford.

“ *The Guilford County and Greensboro NC, Community mourns the loss of such a dedicated individual like Reverend Bleary Ford. He was such a calming and delightful individual to be around. It was really a great duo when Mrs. Ford would come to the Farmers Market in Guilford County with him. What a pleasant smile and he was always eager to help when needed. To the family our prayers are with you during this most difficult time. Respect, honesty, courage and the love of God was seen and practiced with the Ford Family. You do not find a better family unit than the Fords. Reverend and Mrs. Ford set a great example for their children and grand children to follow. They pushed the love of God, helping those in need and loving their neighbors. But those examples has to be followed by all of us.*

Having the talent of being a Master Gardener was evident with the vegetables that he grew. I tried to find out about his trips to Greensboro ahead of time so I could tell members of my Church, Community and the NCA&T Staff and Faculty. No one could match the size, taste and quality of the vegetables that came out of his gardens. On Monday when I saw a box at my front door in Florida that he asked Allison to send to me a feeling of sadness and yet comfort suddenly appeared. He had done that on several occasions. His smile, calmness, hard work, and love of God will live on with the family and thru those that knew him

If you did not know him then you missed a true Child of God. Of course we all try to be that child. I know the family, community and all of the friends will miss him. We have to remember that God is at work. My family and friends will miss him. I encourage everyone to stay in contact with the family and help when need. I am so thankful that I met one of the most beautiful families ever. Be at Peace!

“ To the family and friends of Rev. Bleary Ford:
I was saddened to hear of the passing of Rev. Ford. I began my teaching career at Hamlet Jr. High, Hamlet, NC and met Rev. Ford. Our families became friends since my home was in St. Paul and Rev. Ford's home was Lumberton. I was so grateful when he began teaching at Saint Paul High School that my daughter, Kyilla, became one of his math students. My mother loved him dearly because she worked at the high school where he taught. Rev. Ford will be greatly missed by persons whose lives were impacted by such a great servant of God. Many things he told me about my ministry that I will always remember. I thank God for allowing me to meet one of his chosen servants, Rev. Bleary Ford. May God comfort the Ford family.

From: Dr. Betty Whitted Holley, Presiding Elder of the Ohio Conference of the AME Church, Kyilla, NaiLah, and Ms.Ellamae

“ May God bless you during this time. Rev. Ford was indeed a blessing to me, my family, and my church family. I will miss him greatly; he shared a great deal of his wisdom with me each time during our fellowship. He was with us during our Men's Day on November 8 and preached a text, "What Manner of Man Are You", that everyone is still reflecting on. May God bless you and keep you.

“ *Rev. Ford will surely be missed....We taught together at St. Pauls High School in St. Pauls, NC. From the first day that we met, it was so ironic that we had a lot in common when it came to education and religion. He was truly a gentleman and a scholar and man of God. Family, you are in my prayers and Rev. Ford will always be with you and I in spirit. Rest In Peace, my friend, my brother in Christ.*

Rev Ford was a humble man of God! I remember his preaching, his praying and singing. From A charge to keep I have, he often quoted..To serve this present age..my calling to fulfill....he did it ...He did it!
