“ I miss our talks and laughter on the phone. I miss waking up to your early morning text messages checking in on me and your grandson to be sure that we are doing ok that day or if we need anything. All the TickToks a person could review, or songs you would send me to sing. Daddy, I am trying to understand and manage how to cope with your loss. It has been difficult. I love you Sir! Until we meet again. I will ALWAYS be your baby girl!!! Rest in Power~🕊️📺🚫

“ *When you meet someone on your journey through life that makes a significant impact on you, we treasure it. Bobby and I met at Ft Bragg and instantly became friends. I can't begin to describe how important he was in my life. While stationed in Germany he would travel to Frankfurt where he, Tim and me would have so much fun together. I am absolutely from news of his passing! I believe that the Lord puts flowers in your path to encourage and to bring joy to your heart. Bobby was one of those flowers. Love and blessings to Kim and family!*

“ *Bobby and his wife have been mine and my husband's neighbors for 38 years. We all have shared many conversations together about the Lord. We have always been there for each other to watch over our property, when traveling, and anything else we could do to help one another. I remember a conversation I had with Bobby at the front door one day. After all the many years we lived across the street from each other, neither one of us knew that both of us, in our younger days, played in a band as drummers. We stood there and reminisced about our younger days, the songs that we played, and we laughed at some of the lyrics we sang. It was a good day remembering our younger days. We will miss him dearly! We love you Bobby, welcome home brother, and Mark & I thank the Father for the time we have had with his precious child!!
Much love and prayers to his family!!
God bless & keep
Mark & Kathy xoxo*
