“ ohh Ray how I miss you so. If I knew I was limited in time then I would have hugged you again. As I sit here and reminisce of our years of friendship with my mom I can't help but smile. You truly was there when I needed you. You was there when EVERYONE needed you. I hope that you are R.I.P free of pain and worry. no more driving out of town to appointments and people poking and prodding around. In the great word of Bobby Ray Dockery.. "Well ." Anyone who truly knew you knew something prolific was coming after that. So well Ray.. God has called you home something you was spiritually ready for. And even though us earth bound creatures are here missing you I know as I look up that you are there with your beautiful smile and your well.. wishes God bless Imani and ray ray and kk and the rest of your family. I loved you since the day I met you.

“ My condolences go out to my family of Mr. Bobby Ray Dockery. My heart goes out to his kids, and his siblings, and to the rest of our family. This is very devastating, and words can't Express how much this hurts! Me, and my cousin Ray were very close. He wasn't just my cuz, he was also a best friend who I could talk to about anything. He was a confidant, and we had some very deep conversations, and I knew he valued my opinion on certain issues. He will be dearly missed, but not 4gotten! Ever!!! We Love you Ray JR. You can rest now for there's no more pain, or suffering!

You have your wings, and you're one of God's Angels watching us from above. I will miss our talks, and I will miss your crazy laugh. Remember to save me a place in Heaven when God calls my number. I wish I could turn the time back, and talk to you one more time. Godspeed my cuz. Gone, but never 4gotten!!! AMEN!!! 🥺🥺🥺  
🥺💔🙏
