“ To Aggie, Debbie and Reese, we are very sorry to hear about the loss of Mr. Bobby and will keep you and the family in our prayers. Mr. Bobby was a kind, helpful, understanding person. I remember the times when I was a young kid he had a wood shop in the back yard and he would always be in there making something for somebody. I would stop playing with Reese and knock on the door just to see his work. He would take time to explain every detail to me and how the machines work so one day I got the chance to help him out on his project. Thanks Mr. Bobby for being a great mentor. You will be missed very much by all.
