“ Uncle Bobby what can I say. He had a heart of gold. I remember Uncle Bobby always kept a clean car. He would be at the car wash for 3 hours or more cleaning his car. Always had music playing. And then it was time for his second job, the pool room downtown St.Pauls. I would sit there watch how good he was with his personal pool cue. I remember going to baseball games with him when he was umpire. You didn't mess with his family. You didn't mess with his Kool-Aid and his cookies. To my cousin's Tonya and Sonya your dad was like a father to me. RIP Uncle Bobby, RIP
