“ I love my grandma so much I cannot express my pain .I had a special bond with my grandma that I had with no other person on this planet I dnt even think I can cope I never missed nobody in my life as much as I miss her I feel an emptiness like my soul has been taken away from me I know she is a better place and in no more pain my grandmother was stronger in mind and body than any superhero on tv and in real life and I will cherish every memory forever the Lord and my grandmother can understand how devastated and how much pain I am in I Love You Bonnie

KE

Bonnie Moss was so kind to me during my time at 71st. She was dedicated and caring. After talking with her I always felt better and I looked forward to seeing her everyday. I always knew I would get a word of truth to think about and a laugh to sustain me. Rest peacefully, Bonnie Moss. Your living was not in vain. I never would have made it without you. My thoughts and prayers to the Moss family and loved ones.
