

Ms. Brenda Angelee Adams

February 27, 1952 - November 21, 2024

Brenda Adams, our guiding light and source of endless love, gained her wings on November 21, 2024. Born and raised in Fayetteville, NC, Brenda was a beacon of warmth and compassion, dedicating her life to the care of others. She worked tirelessly as a cook and caregiver, professions through which she touched countless lives, until her retirement.

Brenda's passions were many, and she found joy in the written word, often spending her time writing, reading, and engaging in word puzzles. Her hands were never still; whether crocheting intricate patterns or preparing delicious meals, Brenda's creativity and love shone through in everything she did.

A devoted mother and grandmother, Brenda was always present for family and friends, offering support and love whenever it was needed. Her family mourns her passing but not her life, remembering the vibrant, caring woman she was.

Brenda was preceded in death by her beloved parents, Herman and Geneva Baker, and her sisters, Sherry Baker and Gloria Walker. She leaves to cherish her loving memory: her son, Travis Boykin, and his wife, Talia, as well as her three cherished grandchildren: Tajanay Keaton, Treyvion Purdie, and Jayden Boykin. Brenda is also survived by her four brothers and two sisters: Herman Baker, Jr., William Baker and his wife

Leslie, Jerry Baker and his wife Kathy, Godfrey Baker and his wife Sylvia, Sandra Baker, and Cynthia Crosby and her husband Kelvin. She will be deeply missed by a host of nephews, nieces, dearly loved relatives and friends.

Brenda Adams' legacy of love and care will forever be etched in the hearts of those who knew her. Her spirit will continue to guide and inspire us all.

“ *Brenda was like a grandmother to me, there were no words to describe how happy, joyful and amazing she was. She treated me and my family like her own, always cooking meals, having fun, eating out, going on trips and so much more. She is one of the greatest person I have ever met. The endless memories we made will never be forgotten. You are a piece of me now ma. I'm gonna miss you and I love you so much. I always will.*

“ Dear Brenda
I miss you everyday. I enjoyed our talks on the phone encouraging each other through our pain. You are a caring person. I remember you helping people in your community by taking them to the grocery store, doctor appointments and other errands. You have a heart of gold my Queen. Now you can rest up in peace. Your struggle with pain is over.
Love Always
Leslie

“ I remember Brenda for her love of family and her love and dedication to fulfilling her civic duty to vote. As a poll worker myself and as recently as last month Brenda and I would always talk politics and the need to get more people out to vote. Brenda I will miss our many conversations including our reflections on growing up on Davis Street and Turnpike Road area. Take your well deserved rest my friend. You earned it.
