“ I would like to send my heartfelt condolences to the family of Brenda Burns.

God's words in the Bible gives us future hope at Revelations 21:4 where promises the following:

And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. May you find comfort from God's words in the Bible. May you find comfort by relying on our heavenly father and learning more about the blessings of God's kingdom.

“ *Brenda was a wonderful co-worker and friend back in the 80's when we worked on OB at Southeastern together. Her smile made everyone's day/night better. She taught me much and I am fortunate to have known her and been able to call her my friend. My thoughts and prayers are with the family in the coming days. Nancy Barnes*

“ *My dear family. Sorry about your loss. When the enemy death strikes, the sting of death can be very painful, and can leave us with emotions that are hard to understand. Know that when you pour out your heart to God (Psalms 83:18) in prayer, He will give you His Peace that surpasses all understanding to guard your thinking and your heart. May the family stay together during this difficult times.*

Thinking back to the old days at Southeastern General (currently SRMC) in the 70s and 80s, I worked many days and nights with Brenda. She was always well groomed, white uniforms pressed to the tee, beautiful person, loved her family, cheerful, always willing to help anyone if possible. We had many of good days. My thoughts and prayers goes out to the family. Cynthia George

LW

I worked with Mrs. Brenda at SRMC in the 90's. I learned so much from this lady. She was an awesome nurse and advised me on lots of life lessons. I always thought of her as my second momma. RIP BB. My thoughts and prayers are with the family during this difficult time.

I also worked with Brenda on OB back in the 90's. When Brenda was around, I always felt "safe". She was an excellent nurse and someone you just enjoyed being around. I loved her stories! Prayers go up for her family.
