“ I would like to offer our condolences to Sis Felicia and the rest of Bro. Byron's family. Bro Byron was a man among men. He was a man of many words, he said what he meant and meant what he said. He would cut through the chase and say things few others would say. I thank God for the times that we had a chance to get together and talk where he always kept it real. He will be missed by many.

“ *My brother in Christ RIP!*

1 The LORD is my shepherd; I shall not want.

2 He maketh me to lie down in green pastures: he leadeth me beside the still waters.

3 He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.

4 Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

5 Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.

6 Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the LORD for ever.
