“ *Smooth I miss you so much Bro. This is one of the hardest things I've had to deal with. Every time I look at Vickie it breaks my heart. I will never question Gods decision and I know he makes no mistake but it hurts. I always visioned us as the Older gentlemen at the Bojangles with our Veteran hats on drinking coffee reminiscing over our past memories together. Talking about our kids and grandkids. Please know that you are missed by many and please keep a eye on us. I Love You Brother.*

“ No words can express what I am feeling right now. I just found out about Byron's death. My heart aches. I loved calling him to get his credit card number for purchases that he made for the company he worked for (ManTech). I will truly miss our conversations outside of the business we had to conduct.
