“ Mrs. Carolyn was my God Mother. She was always there for my brother, Mario, and I. She loved with the love of Christ. I will miss her encouraging and loving messages and talks. Although my heart aches, I'm happy that she's now with the Father, resting.

“ Hearing of Carolyn's passing broke me in spirit. She really was an angel walking among us. I met Carolyn in 1991 when she moved next door to me. She was always helping, without asking. She would see a need, and she would go to work (addressing the issue). Anyone who needed a hand got it from Carolyn. I will miss talking to her. She never forgot to check on my mother even when she was sick and struggling with mobility, and had to drive over 25 miles one way, with her devoted partner in life (Pete) she still thought of others first. I know GOD received an angel in heaven when she left this earth. Her spirit has blessed me, and I'm sure...many others. Love and Peace to the family. May she forever rest in Peace.

“ Where do I begin Carolyn was a best friend and loved in every sense by me and my family. For years, Carolyn helped me with my children, who were very young, while I was working. She was loving, hardworking, and a best friend. She had a strong faith, and she and Pete were family. We shared, loved, cried, laughed and prayed together. Reid and Rose loved her so very much, and she was a wonderful example to them growing up, inspiring them to become the wonderful young adults that they are. I owe so very much to Carolyn for her unwavering friendship, and she will be sorely missed by us all. Patty (and Mike, Reid and Rose)

There are no words to truly convey the depth of my love and admiration for this jewel. Carolyn was an exceptionally loving and consistently loyal woman, who was sold out for God's kingdom. She met no strangers, graciously welcomed me into her home and heart, and always had an encouraging word to accompany her beautiful smile. Oh, I will miss her, but the impact she had on my life will remain until we meet again!!! Rest in paradise, sweet cousin!
