“ *Deepest sympathy to the family of Renee. My heart especially goes out to her son Darnell. I know you will miss your mother. We remember that we were not meant to die, but because of the greatest enemy , we die. Look forward to the day when death will be no more and no pain or outcry no mourning will be anymore. The former things will have passed away. Rejoice in being there for her when she would be in need. May she rest in peace.*
