“ I have also dealt with the pain of losing a loved one to death. It is one of the most painful experiences ever. The words of encouragement from many helped in coping with that loss. I have to say that I found the greatest comfort from reflecting on the wonderful hope given by the God of all comfort. In his word, the Bible he wonderfully describes the future prospect for those sleeping in death. The Scripture at Isa. 26:19 brought me such peace of mind and comfort. When the family feels up to it, I hope you will read that promise from our loving Father, Almighty God also. So sorry to read of your loss.
