“ Dear Stacy & Monique I know the pain you are feeling and if there was a way to take it away, I would. With the loss of a mother comes so many layers of heartache. Know my heart is open to giving you anything you might need during this time of incredible loss. Let the Power of His Spirit comfort you as you mourn in the days to come. I promise it will get better as you lean on him. Pastor Annie,

“ Sending my thoughts and sincere prayers to the Family. Cathleen Parker will truly be missed I will cherish forever all of her words, conversation, laughter and love. No matter if you met Cat for a brief moment she made an impact on your life. I am glad that the last conversation was filled with love and laughter. Cat didn't mince words, she said what she said no matter if you wanted to hear it or not, but it was all in love and truth. So today as the Families journey of til we meet again begins know that Cat will always hold a special place in my heart and I am so glad that the heart holds all the precious memories that the grave will never steal. Rest on my Friend, you have won the race and came out victorious. I will love you forever. Sebrina Smith-Henry and Your God Daughter Sierria Henry

“ *Words cannot express how I feel but I want to offer my sincere condolences to the Family of My Friend Cathleen Parker. Cat was and forever will be larger than life to me. I will miss our conversations, laughing and enjoying life. It didn't matter how much time had passed we always picked up right where we left off. So today as I think back on the last time we spoke, I can still hear you fussing but it was all in love and I am so glad that you were my Daughter's God Mother and always had a word for her and showing love. Cat left a legacy of love and wisdom, even though her earthly voice has been silenced, I am forever grateful that the heart holds all the precious memories that the grave can never steal. You fought a great fight now take your rest My Friend!*

“ Mom, words cannot truly express how much I love you and how much I miss you. Our movie nights, our lunch dates, our songs of praise, our laughter, our tears, our building one another up with the Word of God, and our time always well spent, will always live on in my heart. You fought until the very end on this side and God reached down and declared you a winner, the Victory was yours! You returned home to your Father who has known you and loved you best. Its remains with a heavy heart that I can't laugh with you, hear your voice again, or hold your hand one last time. I rejoice in knowing that you are healed, restored, whole, and home in your glorified body. You are eternally Dancing with the Creator you've always belonged to. Thank you God for my 39 years with my Mother, she will truly be missed.
