“ You were and always will be very very loved! Our son is just like you, thank you for him. Thank you for loving me unconditionally, even when I couldn't do the same. Don't think that I ever stopped loving you...that was impossible. I've thought of you every day since. Rest in peace, Aurora misses you too, you were her daddy also.

Love Always.

“ We had so much fun partying at the "officer's Club" at Andrews AFB, He never stopped talking about it. It gave him the opportunity to be "big brother" for a change. We always got along great. I can't remember one single argument. I will miss his calls telling me who he's dating now. And, laughing at my boyfriends. Also we had fun "joaning" on daddy LOL.
