“ *Worked with this fine man at the Ft Bragg Post Office many years ago. He was a great carrier and then later as life changes and we both retired, I got the pleasure of working with him as a Board of Director of the Fayetteville Postal Credit Union. He was a wonderful man and was always well dressed and smiling. I pray for his family. God has gained another good one.*

“ *Charles AKA “Big Cheese” was an awesome God Parent to us as well as a leader to many. Our remembrance of the first time arriving at the Donald’s home was one of genuine kindness and sincere acceptance into the family. We remember the always plentiful and sweet grapes that Charles grew in his back yard. We would always look forward to visiting that back yard to get our hands on some of those delicious grapes. Man, those grapes were extremely good. Charles would always make wine from the grapes and give us a couple of jars to take home. We also remember the fun discussions of progress and predictions of the NFL football teams competing for playoff positioning and eventually making it into the Super bowl. As one knows, Charles loves the Carolina Panthers.*

Charles,

May God keep you in his everlasting hands while you dance in heaven and among the stars.
